AT-11

COMBINED ENSUITE WITH
SEPARATE TOILET AND SHOWER

HEAVY DUTY OFF ROAD AUSTRALIAN HYPERCAMPER

The Lifestyle AT11 is a compact Off-Road Hybrid Camper Trailer that is purpose built in Australia for Australia's harsh conditions by an Australian owned and operated family business. It includes an ensuite with combined shower and toilet.

World class design and manufacturing processes mean that the AT11 offers all of the benefits of a caravan but with the agility of a camper trailer. It is lightweight, tows effortlessly, is extremely easy to park and features a unique folding queen bed area that folds out in less than 20 seconds and adds 1.5m2 to the useable floor space. There is no canvas where you sleep; it is all hard-sided.

Body Length - 4260mm (14'2")
